

LAUNCH

GET READY TO LEARN, BE AMAZED,
AND EXPLORE!

Students will participate in the Computer Science Modules of PLTW LAUNCH. LAUNCH is the Elementary curriculum for PLTW.

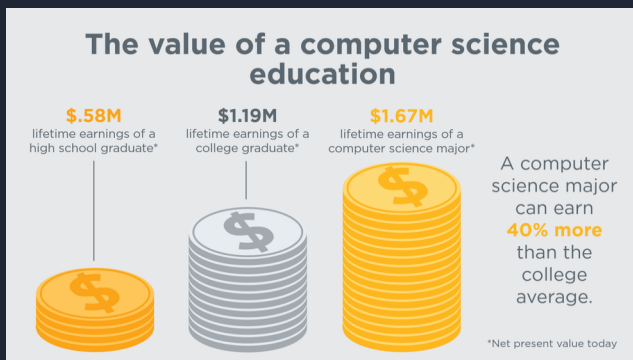

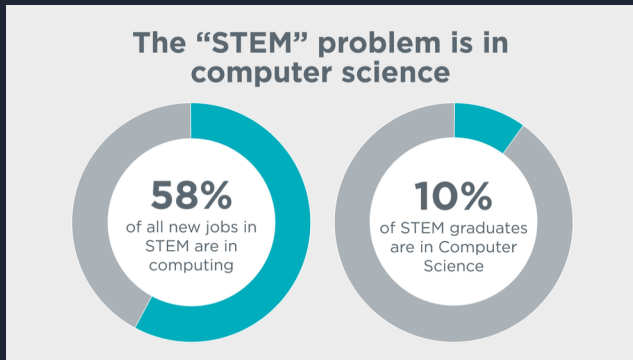

Computer Science is NOT:

- Playing video games or video game development.
- Learning how to use a computer.

Computer Science IS:

- More than just coding!
- Using technology to create solutions the world's problems.

Benefits to LAUNCH:

- Student Centered
- Highly Engaging
- Hands on
- Problem- Based Learning
- Scaffold Learning
- Collaborative
- 21st Century Skills
- Problem Solving
- Real World Application
